

# 2024 Electronics Recycling Competition

## Ready? Set? Recycle!

**What?** This spring, our school is participating in an electronics recycling competition. The Lane County schools that recycle the most pounds of “e-waste” will win!

- E-waste examples include microwaves, TVs, printers, old cords and cables, cell phones, computers, and audio/visual equipment. **Please, NO PLASTIC**, non-electronic items such as toys or vacuums.
- If an item is mostly metal, has a plug, or takes batteries, it counts

**Why?** Help divert electronics from our landfill and keep reusable electronics available in our community. Plus, our school could win a valuable gift certificate for the NextStep Reuse computer store. (8 schools will win!)

**Who?** Students, families, and school staff can participate.

### Where?

1) Drop off electronics directly at NextStep from now through May 15th.

NextStep Recycling | 245 Jackson St., Eugene (Donation Center)  
Open Monday to Friday, 8:30 a.m. to 5:00 p.m. (Please mention our school!)

2) Donate directly to our school's on-site collection box (or area) during “pick-up” week: Please verify collection box (or area) location with the office.

- **April 8-11 (M-Th):** Buena Vista, Cascade, Cesar Chavez, Danebo, El Camino del Río/River Road, Bertha Holt
- **April 22 to 25 (M-Th):** Arts & Technology (ATA), Awbrey Park, Edison, Kennedy, McKenzie River, Prairie Mountain, Willamette High
- **May 6-9 (M-Th):** Adams, Laurel, Meadow View, Shasta, West Lane Charter
